Foreword

Cannes, 26th June 2013

Dear EAMTM Members

A warm welcome to Cannes which we last visited in 1999 staying at the Carlton. In view of trading conditions we have chosen a less expensive 4 star hotel that has Conference facilities, which the Carlton no longer has.

I am very pleased that we have so many of our American MDNA friends attending who made me so welcome at their Convention in Boston.

Since the beginning of the year I have visited 7 countries on behalf of the Association.

I would like to thank the Scandinavian Branch for inviting me to their AGM.

Also my appreciation to the Italian Members for their hospitality on the last visit of the Council.

We propose to hold our next Council Meeting in the Netherlands which will include visits to the dealers.

All members are welcome to attend.

I was pleased to see almost 50 EAMTM members exhibiting at Usetec in Koln (Germany).

Members expressed new ideas as to how better promote the EAMTM in future at exhibitions. Please ensure you attend the Merchants Market, an excellent networking opportunity, and make new friends and business partners.

Together united we can help each other overcome difficult trading conditions.

My main focus has been to help improve the services to the members.

So with the help of the Internet Committee we have appointed a new company (who already have successful experience with machine tool dealers) to create a website which will be much easier to use and produce sales!

We hope to launch the prototype soon.

Please contact me at any time with your ideas and recommendations as to how we can improve the services we provide to the members.

Finally I would like to thank my team without whose support I would not be able to perform my duties.

This includes all the Council and Committee members, Jane Pomfrey-Jones of the British Branch Office and the staff of the EAMTM Head Office: Andre Skenazi and Mikalai Yafremau.

I hope you all have a great time in Cannes.

Nigel Bongers

President 2012-2014
